

Annual report Feedback Committee 2020-21

Feedback report on curriculum:

The College follows the curriculum set down by the Board of Studies Punyshlok Ahilyadevi Holkar Solapur University, Solapur. Some of faculty members are a part of BOS and become a part of reviewing and framing the syllabus. Online Feedbacks on curriculum are collected from students, teachers, alumni, Parents and are reflected through BOS to university.

The IQAC is made available online feedback forms to collect feedback on Syllabus, by students, Alumni, Teacher and Parents. The College has constituted feedback committee comprises four faculty members. The feedback committee conducts feedbacks on syllabus of each programme and each course. The questionnaires are drafted by the feedback committee. The feedback is categorized in four category such as average, good, better and best. Students are asked to grade the asked questions on syllabus. Feedback committee submits analysis report to Principal and head of the department for further action. This report is used to understand the strongness and weakness of the syllabus drafted by university. Accordingly necessary steps to be taken are suggested as well as discussed by the Principal. Suggestion boxes are kept for informal feedback from students, Alumni, Teacher, and Parents. The analyzed report is also discussed in meetings of IQAC and head of the departments. Each head of the departments are then asked to write an action taken report about the changes brought by them.

Action Taken:

1) Furthermore feedback data is mailed to all heads of the departments and are informed to take action on feedback about syllabus. 2) Feedback responses of some the departments are less in numbers. Heads of all such departments are informed to increase the number of responses of students by creating awareness amongst the students.
