4.1.3 Classrooms and seminar halls with ICT- enabled facilities

The college's classrooms contain ICT-based lecture equipment such as an LCD projector and Wi-Fi, and the online teaching learning technique is carried out through Google Meet, Zoom, etc. The offline teaching learning approach, on the other hand, is carried out using ICT-based lecture. The college's seminar hall and class room is equipped with an LCD projector, a screen, and Wi-Fi.
