Quality assurance initiatives by IQAC (Internal Quality Assurance Cell)

2022-23

Plan of Action	Achievements/Outcomes
1. Organization of Fire and Safety Workshop for college students.	One day workshop on Fire and Safety was organized at 2nd August 2022 for college students and peoples of nearby locations in collaborations with Gas services and champting DHASS group of company Karad for creating awareness and understand the safety precautions after accidentals fire.
2. Designing and implementing Annual Plans for activities for quality enhancement	Academic calendar and teaching plans are prepared and likewise all the activities are performed effectively by faculties for quality enhancement of students.
3. Encourage the faculties for submitting research proposal to funding agency.	One faculty Member Mr. Chopade Arun Subhash has received the funding grant of Rs. 80000/- from PAH Solapur university Solapur under seed money for research scheme during the year 2022-23. Furthermore two faculty members Dr. S.D. Patil and Mr. D.G. Bhosale were submitted their research proposal to funding agency in 2022-23.
4. Organization of Quiz competition for celebrations of 75th year of independence	National level online quiz competition for students was organized to remember the sacrifice of freedom fighters during celebration of 75th year of independence on 15th August 2022.
5. Organization of National Level Workshop on Preparation of Competitive examinations.	Two days National level Webinar Series on Strategies to Crack Competitive Examination After Graduation was organized in collaboration with IFAS Academy Pune from 14th to 15th September 2022. Total 768 participant from all over India was registered and participated in the webinar series.
6. Organization of Environmental awareness outreach and extension activities	The IQAC and NSS department of college jointly organized environmental awareness activities like Eco-friendly Shri Ganesh Idol Immersion after Shri Ganesh Festival to minimize water pollution, environmental awareness rally was conducted from the city to create awareness in society, Workshop on Seed Ball preparation for college students and planting of prepared seed ball in rainy season during the year 2022-23.

7. Organization of Special NSS camping Program.	The college has organized Seven Days National Service Scheme (NSS) special camp in adopted village Sade during 7th to 13th January 2023.
8. Celebrations of Sahakar Maharshi Shankarrao Mohite-Patil Birth anniversary with cultural activities.	The inspiration of Institution and great cooperative leader Sahakar Maharshi Shankarrao Mohite-Patil birth anniversary was celebrated as cultural week during 13th to 18th January 2023 with different cultural competitions.
9. Organization of Blood donation camp.	Birthday of college trustee, Hon. Dr. Dhavalsinh Mohite-Patil was celebrated by organizing volunteer blood donation camp at college on 2nd March 2023 in collaboration Akshay Blood Bank Solapur.
10. Organization of Workshop on Woman's Empowerment.	Two days' workshop on Woman's Empowerment was organized in the college during 8th and 9th March 2023.
11. Starting of some new skill base certificate courses.	Three new skill based certificate courses was started by Department of Chemistry, Physics and Botany on Sugar Technology, Maintenance and Repair of Domestic Electronic Appliances and Plant Pathology respectively and successfully implemented during the year 2022-23.
12. Automation of Office and Library.	For the automation of office and library college has purchased VRIDDHI software, Computer set and barcode scanner during the year 2022-23
13. Organization of University level sports competition.	One day University level Volleyball competition was organized in the college on
14. Organization of Industrial study tours.	Department of Chemistry has organized study tours at Vitthal Cooperative Sugar Factory Pimpalner and Vasantdada Sugar Institute Manjari Pune during the year 2022-23.
15. Engagement of faculties and students in research activities.	Four faculty members and fifteen students are participated and presented the research work in national, international conferences during the year 2022-23.
16. Organization of Workshop on Soft Skill developments.	Three days' workshop on soft skill development was organized in collaboration with Sunrise academy Karmala during 25th to 27th April 2023.
17. Organization of Debate competition on energy conservation.	One day debate competition on Energy Conservation towards Net Zero was organized in collaboration with Maharashtra state Oil and Gas corporation and Vaibhav Laxmi gas agency Karmala at 6th May 2023.
18. To Carry out Academic and Administrative Audit from University.	The Academic and Administrative Audit of institute was conducted by Academic and Administrative Audit Committee of Punyashlok Ahilyadevi Holkar Solapur University Solapur during 2022-23 and rated C grade with 59.50%

Student Satisfactory Survey 2022-2023

Student Satisfactory Survey on Teaching, Learning and Evaluation: Following are questions for online student satisfactory survey regarding teaching, learning and evaluation process. Instruction to fill the questionnaire. All questions should be compulsorily attempted. Each question has five responses, choose the most appropriate one. The response to the qualitative question no. 21 is student's opportunity to suggestions or improvements. She he can also mention weaknesses of institute here.

Total Students attend the Student Satisfactory Survey:102

Sr. No.	Question	4	3	2	1	0
1	How much of the syllabus was covered in the class? 4 – 85 to 100% 3 – 70 to 84% 2 – 55 to 69% 1– 30 to 54% 0 –Below 30%	95	4	2	0	1
2	How well did the teachers prepare for the classes? 4 –Thoroughly 3 – Satisfactorily 2 – Poorly 1 – Indifferently 0 – Won't teach at all	81	16	4	1	0
3	How well were the teachers able to communicate? 4 – Always effective 3 – Sometimes effective 2 – Just satisfactorily 1– Generally ineffective 0– Very poor communication	92	3	3	3	1
4	The teacher's approach to teaching can best be described as 4– Excellent 3 – Very good 2 – Good 1 – Fair 0– Poor	81	15	4	1	1
5	Fairness of the internal evaluation process by the teachers. 4 – Always fair 3 – Usually fair 2 – Sometimes unfair 1 – Usually unfair 0– Unfair	90	6	2	2	2
6	Was your performance in assignments discussed with you? 4 – Every time 3 – Usually 2 – Occasionally/Sometimes 1 – Rarely 0– Never	94	6	1	1	0
7	The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students. 4 – Regularly 3 – Often 2 – Sometimes 1 – Rarely 0– Never	95	4	2	1	0
8	The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth. 4 – Significantly 3 – Very well 2 – Moderately 1 – Marginally 0– Not at all	76	24	1	1	0

9	The institution provides multiple opportunities to learn and grow. 4 – Strongly agree 3 – Agree 2 – Neutral 1 – Disagree 0– Strongly disagree	84	14	2	2	0
10	Teachers inform you about your expected competencies, course outcomes and programme outcomes. 4 – Every time 3 – Usually 2– Occasionally/Sometimes 1 – Rarely 0– Never	91	8	2	1	0
11	Your mentor does a necessary follow-up with an assigned task to you. 4 – Every time 3 – Usually 2 – Occasionally/Sometimes 1 – Rarely 0 – I don't have a mentor	93	3	5	1	
12	The teachers illustrate the concepts through examples and applications. 4 – Every time 3 – Usually 2 – Occasionally/Sometimes 1– Rarely 0 – Never	92	6	3	1	0
13	The teachers identify your strengths and encourage you with providing right level of challenges. 4 – Fully 3 – Reasonably 2 – Partially 1 – Slightly 0– Unable to	90	9	2	1	0
14	Teachers are able to identify your weaknesses and help you to overcome them. 4 – Every time 3 – Usually 2 – Occasionally/Sometimes 1 – Rarely 0 – Never	91	8	2	1	0
15	The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process. 4 – Strongly agree 3 – Agree 2 – Neutral 1 – Disagree 0 – Strongly disagree	85	13	1	2	1
16	The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences. 4 – To a great extent 3 – Moderate 2 – Some what 1 – Very little 0 – Not at all	89	10	1	1	1
17	Teachers encourage you to participate in extracurricular activities. 4 – Strongly agree 3 – Agree 2 – Neutral 1 – Disagree 0 – Strongly disagree	83	15	1	2	1

18	Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work. 4 – To a great extent 3 – Moderate 2 – Some what 1 – Very little 0 – Not at all	93	7	1	1	0
19	What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching. 4 – Above 90% 3 – 70 – 89% 2 – 50 – 69% 1 – 30 – 49% 0 – Below 29%	76	20	4	2	0
20	The overall quality of teaching-learning process in your institute is very good. 4 –Strongly agree 3 – Agree 2 – Neutral 1 – Disagree 0 – Strongly disagree	87	12	2	1	0

Report of National Level Webinar Series on

“Strategies to crack competitive Examinations After Graduation”

Internal Quality Assurance Cell (IQAC) of Pratapsinh Mohite-Patil Mahavidyalaya in collaboration with the Institute for Advanced Studies (IFAS) Pune organized a two days national level webinar series on Strategies to crack competitive Examinations After Graduation during 14th - 15th September 2022. The webinar series was conducted online mode through the Google Meet platform in six sessions with different experts on different subjects. Initially, the flyer along with an online registration form and invitation letters was sent to possible numbers of institutions of science streams through social media and personnel contacts. The webinar series has received an overwhelming response and has been the most successful event with over 792 participants from all over India participating in the webinar series. All the participants are communicated further instructions and links for different webinar sessions through the What's app group.

All the sessions of webinar series are conducted through online google meet platform by sharing a link on what's app group of participants prior 10 min. before the actual starting of each webinar session.

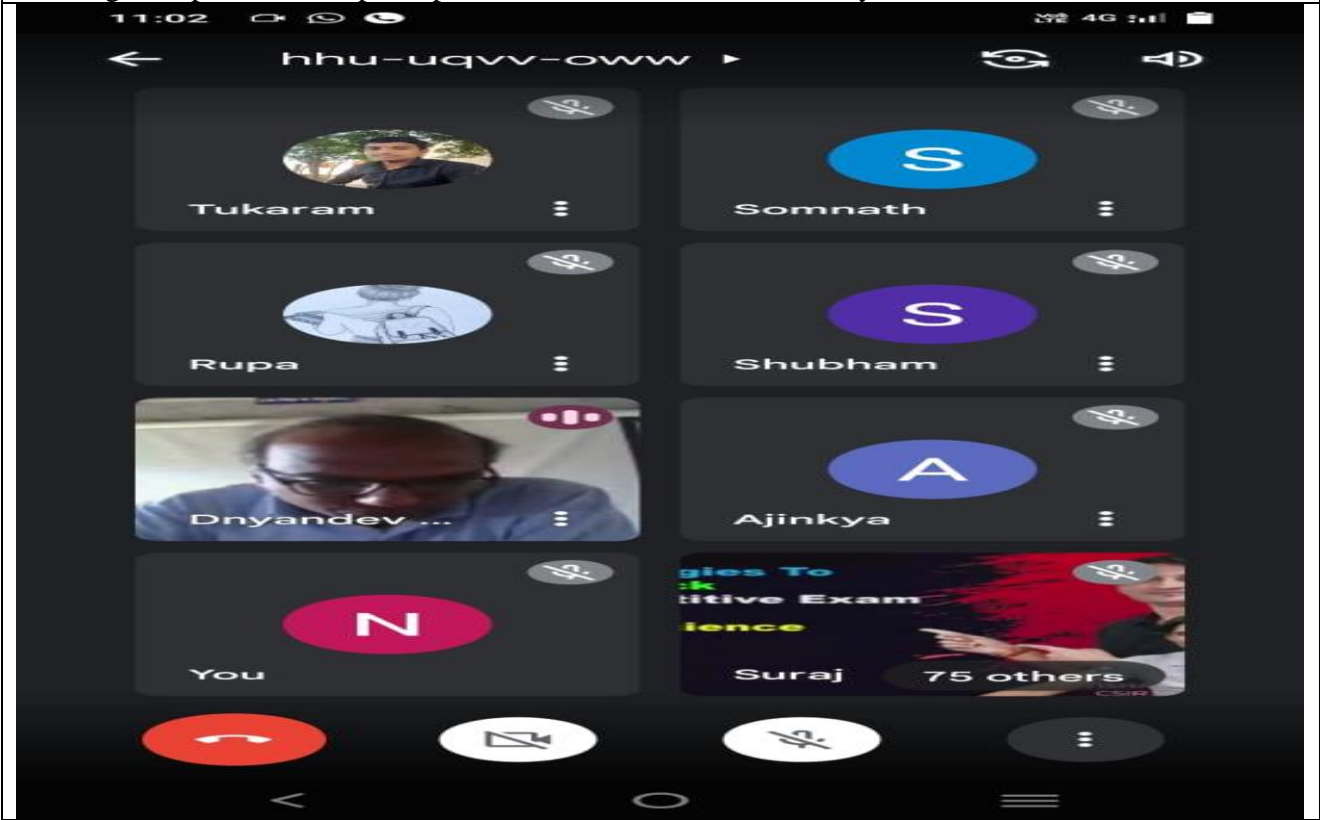

Day One of webinar series

1] Inauguration of webinar series:

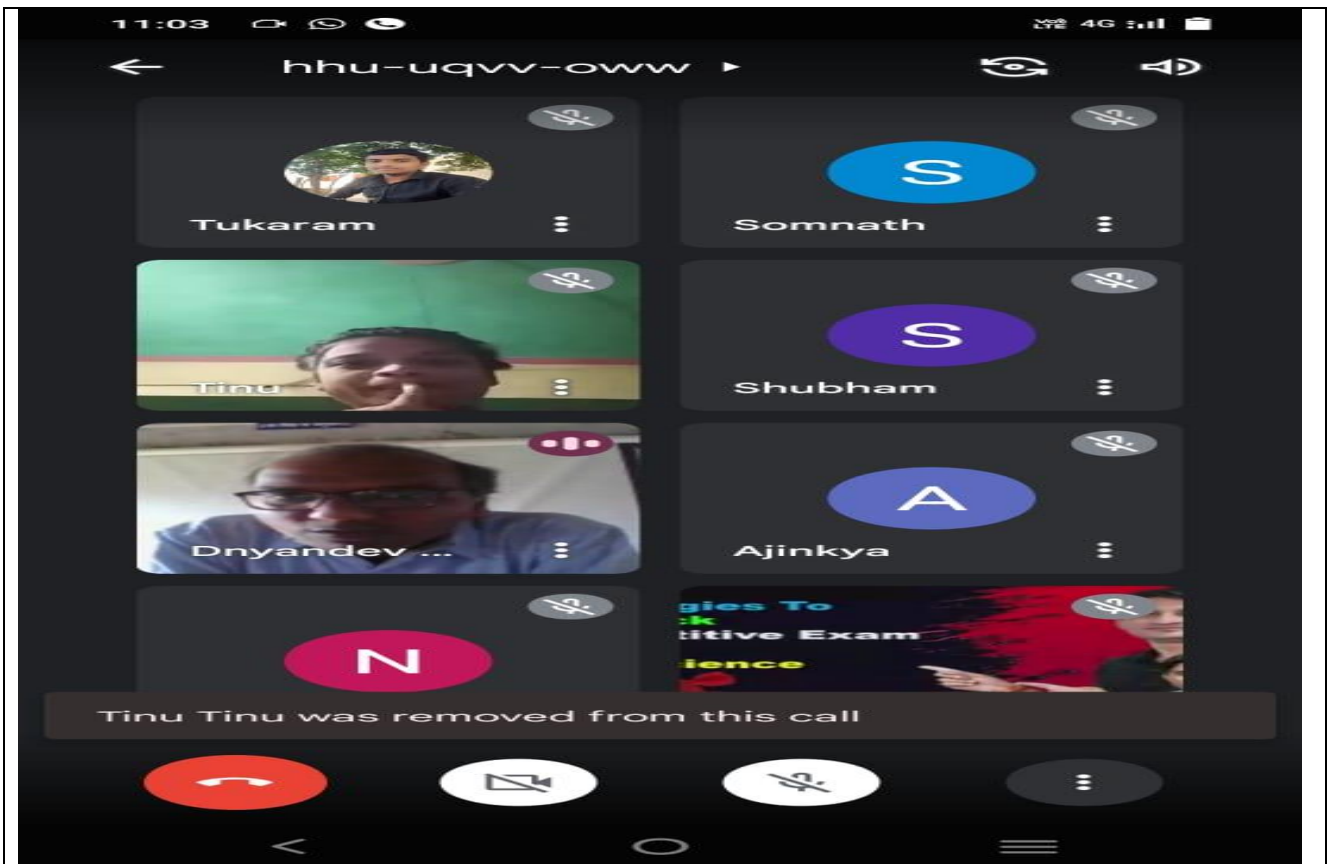

Inaugural session of webinar series was started at 10.45 a.m. of 14th September 2022 with warm welcome of the all participants by Convener of webinar Mr. D.G. Bhosale. The convener initially introduced the chairman of webinar series and principal of college to all the participants. He expressed the purpose of organizing this webinar series and need of guidance regarding competitive examination after graduation. Principal of the College Dr. P.V. Deshmukh inaugurated the webinar series with his inspiring words and express the aim of organizing this webinar series. In his inaugural speech he aware the students regarding current era of competition so that they should take one step forward by making early preparation of different competitive examinations. Finally, he wished grand success of webinar series and requested all participants to take benefit of this webinar series at outmost. After the inaugural session the actual webinar session started.

3] Second session on Physics:

Second session from day one of webinar series was conducted by Mr. Sidharth Gangwar who is working as Assistant Professor of Physics in IFAS on the topic Physics. Initially he introduced the scope of subject after graduation and then explained the pattern of each examination conducted after graduation like IIT-JAM, M.Sc.-JNU, M. Sc-Ph.D. integrated at IIT, NIT, IIISER etc. furthermore he interacted students with few questions to understand the approach of participants towards this competitive examination. During his presentation he told the participants about his personal example how he prepared and selected for IIT-JAM at IIT Kanpur. Speaker gives details of statistical overview about questions asked from different topics to these types of examinations. Finally, he concludes the session by answering few questions from participants. 66 participants via online and 74 participants on college big screen total 140 participants attended the session.

Day Two of webinar series

5] First session on Botany:

Day two of webinar series was started with warm welcome of participants and session speaker by convener. Furthermore, convener introduced expert of session Mr. Vishal Bhujbal to participants and handover the session to speaker. The speaker of session started his talk on the topic Botany by taking general overview of examinations related to subject and essential qualifications required to attain. In his lecture he showed some animated slides to change the view of participants towards examinations. He repeatedly told that preparation of examination depends upon the pattern of examination not on just study whole syllabus broadly but it should be on the types of question. He gave some strategies to crack competitive examination and highlighted some important topics to cover. At the end of session, he answers some questions from participants and requested them to focus more on examination pattern. 73 participants via online mode and 110 participants on college big screen, total of 183 participants had attended the session.

6] Second session on Chemistry:

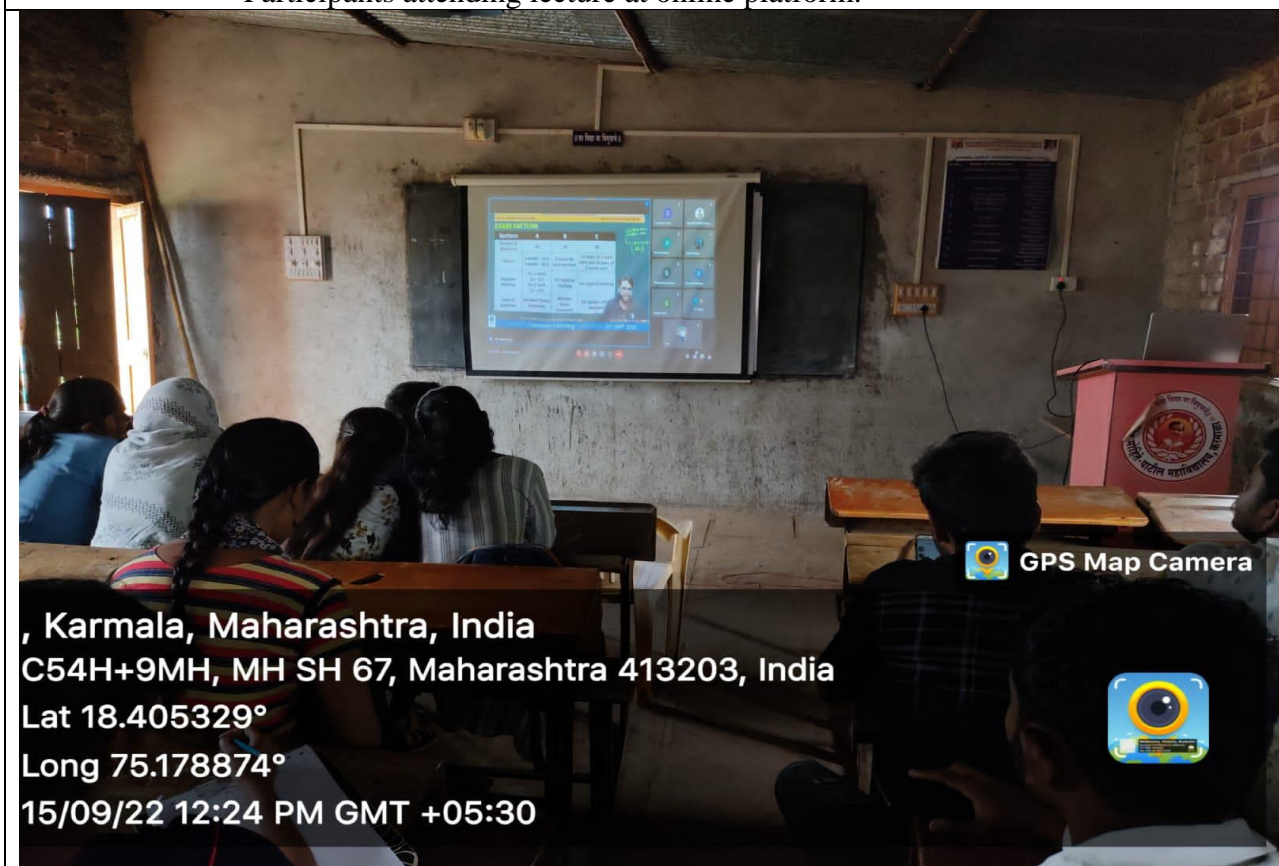

Second session of the day two was conducted by Mr. Hitesh Chug at 12.00 p.m. who is working as Assistant Professor of Chemistry at IFAS. Topic of his presentation was preparation of competitive examinations in Chemistry. Speaker of the session stated his presentation with general discussion on topic and shows the numbers of seats available to different courses at IITs, NITs, IISER etc after graduating from chemistry. Furthermore, he gave detailed overview of past examination cut off marks and ranks required for admissions to different institution on the basis of reservation policy. His talk was more about examination pattern and time management before starting preparation of examination. At the end of session, he answered some questions from participants and concluded the session by thanking organizer and participants for active participation. 75 participants via online mode and 122 participants on college big screen, total 197 participants have attended the session.

Report of Three Days Workshop on “Soft Skill Development”

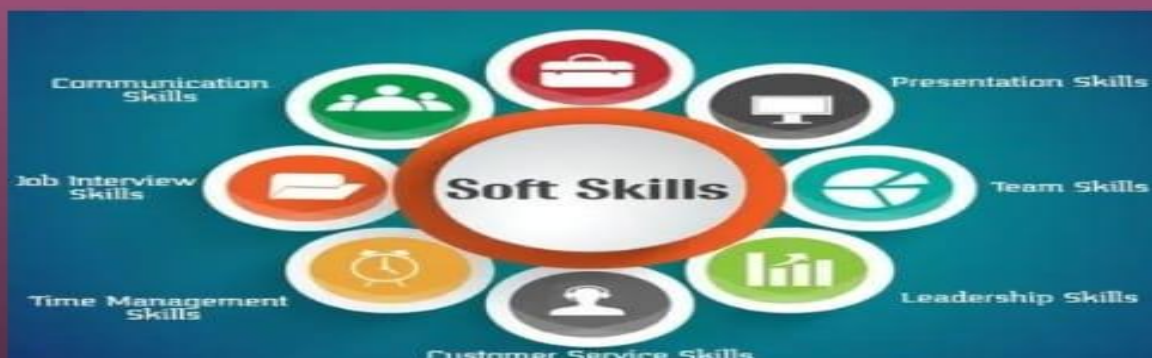

Introduction: Soft Skills is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are traditionally considered complementary of Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job. Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere.

To Enhance the skill and knowledge of the students, three days' workshop on Soft Skill Development is organised by Internal Quality Assurance Cell (IQAC) of Pratapsinh Mohite-Patil Mahavidyalaya during 25th - 27th April 2023. The workshop is conducted by offline mode and special expert Mr. Ibrahim Mujavar from Sunrise Academy Karmala was invited as guest speaker. Program aimed at inculcating and building upon the basic soft skills that are required by every student while appearing for the recruitment process of any company soft skills are identified as the most critical skills in the fastmoving era of technology. These skills include personal interviews, SWOT (strength, weakness, opportunity threat) analysis, writing and communication skills, Resume writing, Group Discussions, Report writing and presentation skills. soft skills tell us how to apply our hard skills in a social environment. The focus of the workshop is to develop a wide variety of soft skills starting from communication, to working in different environments, developing emotional sensitivity, learning creative and critical decision making, developing awareness of how to work with and negotiate with people and to resolve stress and conflict in ourselves and others.

Founder, Sunrise Academy

Who can Participate-
Students ,Teaching and non teaching staff

Venue: Seminar Hall,
Pratapsinh Mohite-Patil Mahavidyalaya,
Pune Road, Karmala, Dist-Solapur.

Schedule of workshop:

Sr. No.	Date	Time	Session	Topic
1.	25/04/2023	12.00-1.00	Session-I	Communication Skill
2.		1.00-2.00	Session- II	Personality development
3.	26/04/2023	12.00-1.00	Session-III	Interview Skill
4.		1.00-2.00	Session- IV	Presentation Skill
5.	27/04/2023	12.00-1.00	Session-V	Time Management
6.		1.00-2.00	Session- VI	Professional Skill

1] Inauguration of Workshop:

Inaugural function of workshop on Soft Skill development was started at 11.30 a.m. of 25th April 2023 with warm welcome of the all participants by IQAC co-ordinator Mr. D.G. Bhosale. He further introduced the guest speaker of program to all participants. Program was inaugurated by principal Dr. P.V. Deshmukh and guest speaker Mr. Ibrahim Mujavar by offering the flowers to photo of Our inspiration, Hon. Sahakar Maharshi Shankarrao Mohite-Patil and college founder president Hon. Pratapsinh Mohite-Patil. Principal of the College Dr. P.V. Deshmukh inaugurated the webinar series with his inspiring words and express the aim of organizing this webinar series. In his inaugural speech he aware the students regarding current era of competition so that they should take one step forward by gaining early some soft skills for future employability competitions. Finally, he wished grand success of webinar series and requested all participants to take benefit of this webinar series at outmost. After the inaugural session the actual webinar session started. Total 65 students and 12 teaching and non-teaching staff of the college has attended the session.

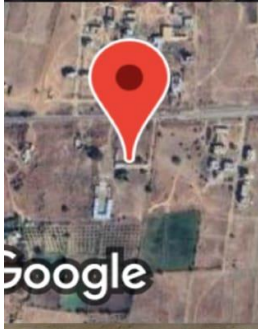

2) Session I Communication Skill:

After the inauguration the 1st session of workshop on English language and communication skill was initiated by guest speaker Prof. I.U. Mujavar. He initially aware the student being able to communicate effectively is one of the most important life skills to learn. Communication itself is defined as transferring information to produce greater understanding. further in his talk he added good communication skills can aid in helping students in interview and pass the selection process. To do job effectively, students have to discuss problems, request information, interact with others, and have good human relations skills these are all part of having good communication skills. He interacted with students on many issues of communication and finally by answering some queries of students he ended the session. Total 65 students and 12 teaching and non-teaching staff of the college has attended the session

4) Session-III Interview Skill:

At 2nd day of workshop on soft skill development guest speaker Prof. Ibrahim Mujavar delivered his talk on interview Skill, initially he asked students some basic questions which they face at the time of interview. He added the overall goal of an interview is to convince the recruiter that you're the best person for the job. In order to this, the interviewee must sell his or her skills, knowledge, and experience in a professional manner to the employer. Furthermore, he gave some tips to students like Prior to walking into the building the interviewee should make everything is neat and orderly. When entering the building it is polite to greet and introduce yourself to the receptionist and the interviewer, make sure to make eye contact and show confidence. During the interview it is best to stay calm and take your time answering the question. Total 65 students and 12 teaching and non-teaching staff of the college has attended the session.

5) Session- IV Presentation Skill:

The fourth session of workshop was on presentation skill which is one of the essential skill sets for students in institutions of higher learning. To help them improve their presentation skills, students are encouraged to use systematic methods to facilitate their presentations in the classroom. The main purpose of emphasising presentation skills in higher education is to help develop professionalism in the learning environment. In this era of technological advancement, students can enhance their presentation skills using high-tech equipment, thus improving their ability to present information in a professional manner. Guest of the session Prof. Ibrahim Mujavar shares some ideas regarding the preparation of effective presentation. At last, he concluded the session with some tips in order to prevent mistakes and technical errors, students must prepare well for a presentation with a proper outline and structure, as well as a good vocabulary and practising pronunciation and intonation. Total 65 students and 12 teaching and non-teaching staff of the college has attended the session

7) Session-VI Professional Skill:

The last session of workshop on soft skill development was on the topic Professional skill development. Employers look for these skills while hiring professionals to determine if they can match the company culture and work requirements. Professional skills are soft skills that can help professionals become better leaders, solve problems at work, resolve conflicts and enable the team and personal growth. Prof. Ibrahim Mujavar in his speech gave more emphasis on how the peoples of professional services behaves. If students want to grow as a professional, learning about the various skills required can help to develop them. Furthermore, he added professional skill support students in their everyday life at work, helping them to build stronger relationships with colleagues. At last students expressed their view on the workshop and with vote of thanks and concluding remark of principal the workshop is ended. Total 65 students and 12 teaching and non-teaching staff of the college has attended the session.

Report of Debate/Group Talk Competition on Energy Conservation towards 'Net Zero'

2022-23

The college IQAC, State Coordinator Oil Industries Maharashtra State, Bharat Petroleum Corporation Limited, Mumbai and Laxmi Vaibhav Gas Agency, Karmala jointly organized debate competition on Energy Conservation towards 'Net Zero' on 06/05/2023. The main aim of this debate competition was to aware students about energy conservation. Energy conservation is the effort to reduce wasteful energy consumption by using fewer energy services. This can be done by using energy more effectively or changing one's behaviour to use less service.

The programme started with offering flowers to the image of Rajashri Shahu Maharaj, Sahakar Maharshi Shankarrao Mohite-Patil and Pratapsinh Mohite-Patil. Mr. Jayant Dalavi, editor of the Kamalai Nagari Weekly Newspaper, and Mr. Vaibhav Shende, the head of the Laxmi Vaibhav Gas Agency, were the program's chief guests. The in charge Principal Dr. P. V. Deshmukh was the president of the programme. In total 12 students were participated in the debate competition.

On the occasion, journalist Jayant Dalvi expressed his views regarding necessity to save fuel from ourself and everyone should use the wealth of the country responsibly. Mr. Vaibhav Shende said that it is very important to organize such a competition to create more awareness about fuel conservation among the citizens and especially among the students and we should realize our essential need and use fuel otherwise the coming time will lead our country to anarchy.

The participating contestants in this competition were given solar lamps by Laxmi Vaibhav Gas Agency. The first winning team got Rs. 5001/- and the second placed team Rs. 2001/- cash prize was given by dignitaries. President of this program Dr. Pravin Deshmukh said that while saving fuel, we have to find some other options from which we can produce

cheap and abundant fuel without pollution and for that science students need to take initiative by researching and they must get financial support, moral support, and encouragement from social welfare organizations and the government. The total 64 students attended this programme. All the teaching and non-teaching staff took efforts to make this programme successful.

Prof. Gaikwad A.V. and Prof. Jadhav S.M. served as the competition's judges. The programme was introduced by Prof. Bhosale D.G., who also served as the program's anchor. Prof. Chopade A.S. delivered the vote of gratitude.

"Debate/ Group talk on Fuel conservation" "इंधन बचत या विषयावर गट चर्चा"

महोदय,

महाराष्ट्र राज्य समन्वयक (पेट्रोलियम) यांच्या तर्फे विद्यालय व महाविद्यालय विद्यार्थ्यांना त्यांच्या उज्वल भविष्यासाठी व इंधन बचतीचे महत्त्व पटवून देण्यासाठी "गट चर्चा (Debate)" कार्यक्रमाचे आयोजन करण्यात आले असून भाग घेणाऱ्या विद्यार्थ्यांना प्रमाणपत्र मिळणार आहेत

- 1) स्पर्धेचा विषय : ऊर्जा संरक्षण- 'नेट जीरो' की ओर!
Energy Conservation towards 'Net Zero'

2) वक्षिणे :	विद्यार्थ्यांना	चर्चा सत्रात सहभाग घेणा-या विद्यार्थ्यांना प्रमाणपत्र
	शाळेसाठी	सहभाग घेणा-या प्रत्येक विद्यालय आणि महाविद्यालयाला प्रमाणपत्र

- 3) पात्रता : माध्यमिक विद्यालय आणि महाविद्यालयातील विद्यार्थी
4) नियमावली :

- प्रवेश पुर्णपणे निःशुल्क आहे.
- चर्चेची भाषा मराठी/ हिंदी / English किंवा शालेय माध्यम भाषा
- कालावधी 24 एप्रिल 2023 ते 07 मे 2023
- इतर नियम व अटी मागे दिल्याप्रमाणे
- आयोजकांचा निर्णय अंतिम राहिल.

प्रतापसिंह मोहिते-पाटील महाविद्यालयात वादविवाद स्पर्धा संपन्न झाली

करमाळा : करमाळा येथील प्रतापसिंह मोहिते-पाटील महाविद्यालयामध्ये महाराष्ट्र शासन भारत पेट्रोलियम मुंबई व लक्ष्मी वैभव गॅस करमाळा यांच्या संयुक्त विद्यमाने इंधन बचत व संरक्षण या विषयावर वाद विवाद स्पर्धेचे आयोजन करण्यात आले होते. सदर कार्यक्रमास हा इंधन सुरक्षा सप्ताह निमित्त अंतर्गत गुणवत्ता हमी कक्ष या विभागाकडून आयोजन करण्यात आले होते. याप्रसंगी कमलाईनगरी साप्ताहिकाचे संपादक जयंत दळवी व लक्ष्मी वैभव गॅस एजन्सीचे प्रमुख वैभव शेंडे, प्रमुख पाहणे म्हणून उपस्थित होते. कार्यक्रमाच्या अध्यक्षस्थानी प्राचार्य डॉ.प्रविण देशमुख हे होते. कार्यक्रमाची सुरुवात सहकार महर्षी शंकरराव मोहिते-पाटील, प्रतापसिंह मोहिते-पाटील व राजश्री शाहु महाराज यांच्या प्रतिमा पुजनाने झाली. या स्पर्धेमध्ये महाविद्यालयातील १२ स्पर्धक सहभागी झाले होते.

याप्रसंगी बोलताना पत्रकार जयंत दळवी म्हणाले, की इंधनाची बचत ही स्वतःपासून करणे गरजेचे असून प्रत्येकाने देशाची संपत्ती जबाबदारीने वापरली पाहिजे.

वैभव शेंडे म्हणाले, की नागरीकांमध्ये व प्रामुख्याने विद्यार्थी वर्गामध्ये इंधन संरक्षण याबद्दल अधिक जागरूकता निर्माण होण्यासाठी अशा स्पर्धेचे आयोजन खूप गरजेचे आहे व आपली आवश्यक ती गरज ओळखून आपण इंधनाचा वापर केला पाहिजे अन्यथा येणारा काळ आपल्या देशाला अराजकतेकडे घेवून जाईल.

या स्पर्धेत सहभागी स्पर्धकांना लक्ष्मी वैभव गॅस एजन्सी तर्फे सोलर लॅम्प तसेच प्रथम विजेत्या संघाला ५००१ रु. व द्वितीय येणाऱ्या संघाला २१०० रु. रोख बक्षीस मान्यवरांच्या हस्ते देण्यात आले. कार्यक्रमाचे अध्यक्ष डॉ.प्रविण देशमुख म्हणाले, की इंधन बचत करताना आपल्याला इतर काही पर्याय शोधावे लागतील की त्यामधून आपल्याला प्रदुषण विरहित स्वस्त व मुबलक इंधन निर्माण होईल व त्यासाठी विज्ञानाच्या विद्यार्थ्यांनी संशोधन करून पुढाकार घेणे गरजेचे आहे. समाजसेवी संस्था व शासन यांनी त्यांच्या मागे उभे राहून प्रोत्साहन किंबहुना आर्थिक पाठबळ देणे गरजेचे आहे; असेही देशमुख यांनी सांगितले. सुत्रसंचालन प्रा.डी.जी.भोसले यांनी केले तर उपस्थितांचे आभार प्रा.ए.एस.चोपडे यांनी मानले. परिक्षक म्हणून ग्रंथपाल प्रा.ए.व्ही.गायकवाड व वनस्पतीशास्त्र चे विभागप्रमुख प्रा.एस.एम.जाधव यांनी काम पाहिले.

ज्वलनशिल गॅस व पदार्थ सुरक्षा कार्यशाळा

दि.०२.०८.२०२२ रोजी महाविद्यालयात गॅस सेफ्टी सर्व्हिसेस अँड चॅम्पींग, दस गुप ऑफ कंपनीचे अधिका-यांनी गॅस सुरक्षेसंबंधी कार्यकशाळा घेतली सदर कार्यशाळेमध्ये त्यांनी गॅस सेफ्टी संदर्भात खालील महत्वाच्या बाबी सांगितल्या .

आपण आपल्या घरातील गॅस सिलेंडर लीक झाल्यास काय करायला हवे? कोणतीही जीवीतहानी होऊ नये म्हणुन आपण कोणती काळजी घ्यायला हवी हे सविस्तरपणे जाणुन घेणार आहोत.

गॅस सिलेंडर लीक होण्यामागचे कारण काय असु शकते?

गॅस सिलेंडर लीक होण्यामागे अनेक कारणे असु शकतात ज्यात रबर ट्युब तसेच गॅसचे रेग्युलेटर नीट व्यवस्थितपणे फिट न बसवणे,गॅस अँप्लायमेंसचा वापर चूकीच्या पद्धतीने करणे ही कारणे गॅस सिलेंडर लीक होण्यामागे असु शकतात.किंवा कधी कधी आपण व्यवस्थित लक्ष न दिल्यामुळे गॅसवर तयार होणारा पदार्थ हा ओतु जाऊन बर्नरमध्ये जात असतो ज्याने गॅस लीक होण्याची संभावना निर्माण होत असते.

घरातील गॅस सिलेंडर लीक होत असल्यास आपण पुढील काळजी घ्यायला हवी – LPG Gas cylinder leakage-Precautions & Safety Tips

- 1)सर्वप्रथम घरात गॅस सिलेंडर लीक झाल्यास घरात सर्वत्र गॅस सिलेंडरचा वास येण्यास सुरुवात होत असते.अशा वेळी आपण घाबरून जाऊ नये आणि डोके शांत ठेवायला हवे.
- 2) आणि गॅस सिलेंडरचा वास आपल्याला येऊ नये म्हणुन तोंडावर रुमाल नाहीतर एखादा कपडा धरून ठेवावा.कारण जर सिलेंडरचा वास आपल्या नाकावाटे शरीरात गेला तर आपल्याला आरोग्याच्या इतर समस्या देखील उदभवू शकतात.
- 3) आणि मग सगळ्यात आधी घरातील सर्व दरवाजे उघडायला हवे.जेणेकरून सिलेंडरचा वास घरातच दरवळत न राहता दरवाजे तसेच खिडक्यांवाटे बाहेर जाईल.

4) आणि घरात गॅस सिलेंडर लीक होत असताना आपण चुकुनही घरातील किंवा स्वयंपाक घरातील लाईटस तसेच फॅन, ट्युब नळी अशी इलेक्ट्रिकल संसाधने चालु करू नये.कारण याने मोठा स्फोट घडण्याची दाट शक्यता असते.म्हणुन आपण घरात गॅस लीक होत असल्यास घरातील सर्व इलेक्टिक स्वीच आधी बंद करायला हवेत.

5) मग त्वरीत गॅसचे रेग्युलर चेक करावे आणि आपल्याकडुन ते चुकुन ऑन राहुन गेले असेल तर ते त्वरीत ऑफ करावे.आणि समजा आपण रेग्युलर बंद केल्यानंतर सुदधा गॅस लीक होणे बंद होत नसेल रेग्युलर काढुन तेथे सेफ्टी कॅप बसवावा.

6) गॅस सिलेंडरचे नाँब व्यवस्थित लावले आहे का नाही ते सुदधा चेक करावे.

7) आणि सगळ्यात महत्वाची बाब म्हणजे गॅसचा वास कमी व्हावा यासाठी घरातील फॅन अजिबात चालु करायचा प्रयत्न करू नये.आणि समजा घरातील ट्युबनळी,लाईटस वगैरे काही चालु राहुन गेले असेल तर ते देखील बंद करावे.

8) आणि मग त्वरीत आपण ज्या गॅस इंजसीमधून गॅस कनेक्शन घेतले आहे त्यांना घडलेल्या यासर्व प्रकाराबाबत सुचित करावे.आणि मदत मागावी.

गॅस सिलेंडर लीक झाल्यामुळे सिलेंडरला आग लागल्यास आपण काय करायला हवे?

पण आपल्यासमोर दुसरा प्रश्न हा निर्माण होतो की गॅस सिलेंडर लीक झाले आणि त्यातच सिलेंडरला आग लागली आणि सिलेंडरने पेट धरायला सुरुवात केली तर अशा परिस्थितीत आपण काय करायला हवे.

- गॅस सिलेंडर लीक झाल्यामुळे सिलेंडरला आग लागल्यास आपण त्वरीत एखादी चादर किंवा टॉवेल घेऊन तो पाण्यात भिजवायला हवा आणि तो भिजवलेला टॉवेल तसेच चादर सिलेंडरवर टाकायला हवी.याने सिलेंडरला लागलेली आग विझण्यास आपल्याला मदत होईल.

- आणि एवढ करूनही आग आटोक्यात येत नसेल आणि परिस्थिती पुर्ण नियंत्रणाबाहेर गेली असेल तर अशा वेळी आपण त्वरीत अग्नीशमन दलाशी संपर्क साधावा आणि त्यांना मदतीसाठी बोलवायला हवे.

अशा प्रकारे वरील दिल्या प्रमाणे जर आपण सगळ्यांनी काळजी घेतली योग्य उपाययोजना केली तर नक्कीच आपण एक मोठी दुर्घटना होण्यास टाळू शकतो सोबत आपल्या आणि आपल्या कुटुंबातील इतर सदस्यांच्या जीवाचे रक्षण देखील करू शकतो.

सदर कार्यशाळेस महाविद्यालयाचे प्र.प्रा.डॉ.देशमुख पी.व्ही.,प्रा.भोसले डि.जी.,प्रा.चोपडे ए.एस.,प्रा.गायकवाड ए.व्ही.,प्रा.डॉ.पाटील एस.डी.आणि सर्व शिक्षकेत्तर कर्मचारी तसेच महाविद्यालयातील २३ विद्यार्थी उपस्थित होते.

Blood Donation Camp and Road Safety Week Report

2022-23

Every year on 04th March, the college celebrates birthday of guiding director of the college Hon. Dr. Dhavalsinh Pratapsinh Mohite-Patil. On this day the college organises different activities for the students and society. Last year, during corona pandemic the college distributed masks to the needy people of the society.

On the occasion of birthday of guiding director, Hon. Dr. Dhavalsinh Mohite-Patil, the cultural and NSS department organised Blood Donation Camp and Road Safety Week on 02/03/2023. The chief guest Assistant Police Inspector, Police Station Karmala Mr. Sachin Jagtap was present for the program. Mr. Sachin Jagtap gave information on road safety to the students. He also discussed the need of following traffic laws and taking safety procedures to prevent accidents. Finally, he delivered a message encouraging all students to work hard in order to prepare for competitive exams. In charge Principal Dr. P.V. Deshmukh was president of the program. The whole program organized under the guidance of him. Prof. S. M. Jadhav placed the preface and vote of thanks given by Prof. A. V. Gaikwad.

The employee of Akshay Blood Center from Solapur was invited for the blood donation camp by the college. In total 28 bottles of blood donated by teachers, students and Alumni on this occasion. The program was attended by 51 students of the college. All teaching and non-teaching staff took efforts to make this program successful.

AKSHAY BLOOD CENTER, SOLAPUR.

Department of Chemistry

Industrial Visit/ Field Visit Report

Vitthalrao Shinde Sahkari Sakhar Karkhana Ltd. Pimpalner

2022-2023

Department of chemistry arranged one day industrial visit at Vitthalrao Shinde Sahkari Sakhar Karkhana Ltd. Pimpalner for B.Sc-III year chemistry students on 13-03-2023. Aim of these one day industrial visit is to provide the practical knowledge about manufacturing of sugar and ethanol through onsite visit at different sections of industry. This tour helps to gain the practical experience to students. In these visit 25 students, 2 Teaching Staff and 1 Non teachings were present.

Established in the year 2001, **Vitthalrao Shinde Sahkari Sakhar Karkhana Ltd.** is a major Manufacturer, Exporter, Importer and Supplier of White Crystal Sugar. We are headed by the Founder & Chairman Honble **Mr. Babanrao Vitthalrao Shinde** who has been guiding us with his vast experience and in depth knowledge and has transformed us into an impeccable organization. It has a large and well managed infrastructure which comprises of Sugar & Refinery Factory, Co-Generation 28 MW and Distillery 30 KLPD. Our manufacturing units are spread into a large area and are equipped with the latest machinery and equipment to bring forth the finest quality of White Crystal Sugar. We possess a sturdy infrastructure that comprises entire range of advanced machinery and devices for production of quality range of sugar and ethanol. Our in-house manufacturing unit is driven by professionals from chemical industry. All the machinery used in the manufacturing process are kept under strict inspection of technocrats are not only rectify the errors but also ensure that they yield excellent output at low maintenance cost. Being an ISO 9001:2015 certified company, we are committed to provide superior quality products. These are formulated using high grade raw materials that are procured from our authentic vendors. To ensure our client receive the best quality sugar and allied products, we adhere to strict quality control measures. Therefore, the raw material is tested several times during various steps of reaction. With the help of our sophisticated testing instruments and other equipment that are installed in our laboratory 10000 hectares land came under irrigation.

Sugar factory is having auxiliary/by product units/plants as follows.

1) 150 KLPD Distillery, mollassess based distillery unit established at Register Address of the sugar factory with an installed capacity to produce 150,000 liters of alcohol per day manufacturing of RS, ENA, SDS, Ethanol and selling this product in maharashtra, and in all over India to industrial plant, export for foreign destination country and we are providing specially ethanol or Anhydrous alcohol to Govt. undertaking company IOCL, BPCL, HPCL for blending with petrol fuel as per blending programme and policy of Ministry of Petroleum and natural gas, Govt. of India . its commercial production started in the year of 2020-21.

2) 250 MT Sugar Refinery , said by product unit establish at Register Address of the sugar factory for manufacturing of crystal Refined sugar from Raw sugar of cane. with an installed capacity to produce 250 TPD of refined sugar per day. Refined sugar, selling this product in maharashtra, in all over India to industrial plant like Dairy product, Soft drinks product and

export for foreign destination country of European continental. We are manufacturing Refined sugar free from sulfur, trash contain and its ICUMSA is below 45. its commercial production started in the crop season year of 2007-08.

3) Co-generation power plant, said Auxiliary Unit establish at Register Address of the sugar factory. Co-generation is combined heat and electricity in the sugar mills using bagasse. Power generation project based on Renewable Energy Sources. Initial installed Power generation capacity of Bagasse based power plant was 10.5 MW. Power generation with enhanced capacity started from 26th Jan 2008. Further enhanced capacity up 20.00 MW & Power generation started in March,2011. Then factory has expand the capacity of Co.gen plant from 28 MW to 38 MW from November,2014. Electricity generated from this plant used for captive consumption for processing of sugar, Distillery process and surplus power export to Maharashtra state electricity distribution company Ltd.

Silent Feature

- Erection of 2500 TCD Plant has been completed in only 10 Month.
- One Stroke collection of Rs.10.00 Crore Share Capital from the sugarcane grower.
- An Unique factory expanded capacity from 2500 TCD to 11000 TCD within 18 years.

Subject- Regarding permission to visit your Sugar Factory.....

Sir,

As per above mentioned subject our institute is running a short-term certificate course in “Sugar technology” for B.Sc.-III Chemistry students of our college. As a part of curriculum, we want to organize one day visit to Vithalrao Shinde Sahakari Sakhar Karkhana Ltd. Gangamai Nagar, Pimpalner for practical knowledge of students. Your Sugar Factory is the premier factory in the field of manufacturing of sugar and alcohol. we planned to visit your sugar factory on 13/03/2023 with 30 students and 3 staff members so please permit us for one day visit purely for study purpose.

Waiting for your positive reply.

Thanking you.

District Level Neharu Yuva Mohotsav

Nehru Yuva Kendra were established in the year 1972 as an autonomous organization under the Government of India, Ministry of Youth Affairs and Sports with the objective of providing rural youth avenues to take part in the process of nation-building as well as providing opportunities for the development of their personality and skills. NYKS is the largest grassroots-level youth organization; one of its kind in the world. It channelizes the power of youth on the principles of voluntarism, self-help and community participation. NYKS has targeted to identify areas of harnessing youth power for development by forming Youth Clubs, which are village-level voluntary action groups of youth at the grassroots level to involve them in nation-building activities. The core strength of NYKS lies in its network of youth clubs. Youth Clubs are village-based organizations working for community development and youth empowerment. With above objectives and on the occasion of celebrations of Azadi Ka Amrit Mohotsav, Nehru Yuva Kendra Sangathan Solapur has organized district level Yuva Mohotsav on 15 March 2023 in Yashwantrao Chavan Mahavidyalaya, Karmala. Total 7 students have participated in Five events of the program and owned 2nd prize in photography competition, 3rd prize in cultural events and Appreciation certificate in Poem Writing.

Sr. No	Name of Student	Organising Institution	Name of Competition	Prize
1.	Kodlinge Tejasvini Hanumant	Yashwantrao Chavan Mahavidyalaya Karmala	Singing , Acting and Elocution	3rd Prize in Singing
