Vruksha Bandhan Programme Report

2022-23

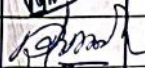

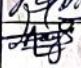

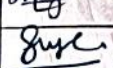

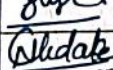

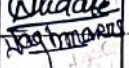

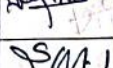

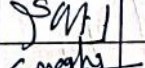

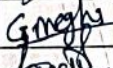

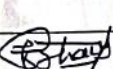

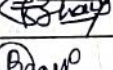

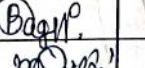

Raksha Bandhan is popular festival in India. On this day, sisters of all ages tie a Rakhi around the wrists of their brothers. They symbolically protect them, receive a gift in return, and traditionally invest the brothers with a share of the responsibility of their potential care. Like the Raksha Bandhan, the college also celebrated Vruksha Bandhan. The main aim of this programme was to promote environmental conservation through trees and to emphasise the importance of caring for them in the same way that people do.

On the occasion of 15th August 2022, the college organised Vrukshabandhan Programme in the campus. The NSS unit of Pratapsinh Mohite-Patil Mahavidyalaya, Karmala conducted a special event on 15th August 2022 as a part of “Azadi ka Amrit Mahostav”. Likewise Raksha bandhan, college girl students tied a Rakhi around the stem or branch of the trees. It implies that the students will take care of the trees. This programme involved a total 41 students. All the teaching and Non-teaching staffs were participated in the programme and all the programme activity conducted under the guidance of I/C Principal Dr. P. V. Deshmukh.

“Samuah Rastragaan Program” On the Occasion of “Amrut Mohotsav” of Independent India

The national anthem of India is "**Jana Gana Mana**" which was written by the Nobel laureate Rabindranath Tagore. The Anthem was first sung on 27 December 1911 in the Calcutta Session of the Indian National Congress and was officially accepted as the Indian National Anthem by the Constituent Assembly on 24 January 1950.

The national anthem takes around fifty-two seconds to be played. The text of Jana Gana Mana, though written in Bengali, is highly sanskritised and has been written almost completely with the use of nouns which can also function as verbs. Nearly all the nouns in the song are used in all major languages of India. The national anthem tell us that India is a diverse nation and there are differences in culture, traditions, religions and languages, but despite these differences, it reminds us that India is united under one flag. The anthem is significant in uniting people and reminding us that there isn't any difference among Indians. The Indian national anthem is played or sung at various occasions. From government offices to schools and colleges, the national anthem of India is sung at special occasions or national holidays or even daily as it is also titled as "The Morning Song of India".

The national anthem of India is respected and proper observance and decorum is maintained when it is played on such occasions. All inhabitants are required to stand when the national anthem is played or sung.

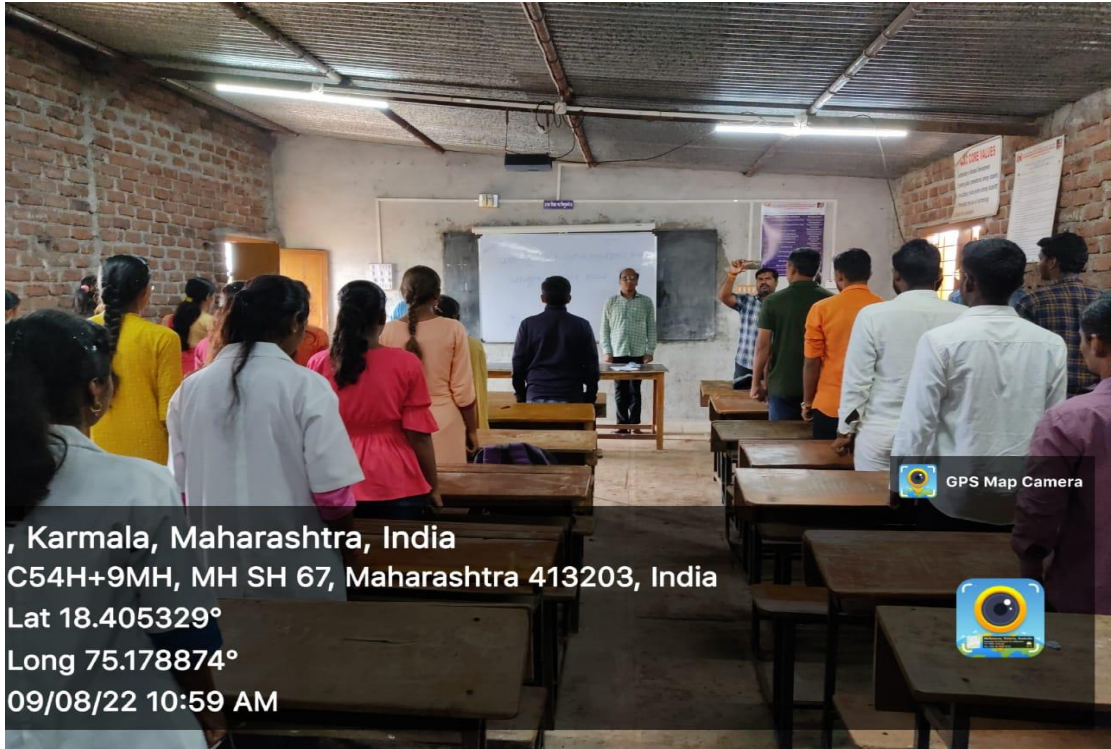

To inculcate the national responsibilities and remembrance of national heroes who scarifies their life for making India independent, On the Occasion of “**Amrut Mohatsav of Independent India**”, and as per the Maharashtra Govt.
