Feedback Report on Curriculum

The College adheres to the curriculum prescribed by the Board of Studies (BOS) of Punyashlok Ahilyadevi Holkar Solapur University, Solapur. Some faculty members actively participate in the BOS, contributing to the review and development of the syllabus. Feedback on the curriculum is collected online from students, teachers, alumni, and employers and is communicated to the university through the meetings of BOS members

The Internal Quality Assurance Cell (IQAC) provides online feedback forms to gather input on the syllabus from students, teachers, alumni, and employers. A dedicated feedback committee, consisting of six faculty members, manages this process. The committee drafts questionnaires to evaluate the syllabus for each program and course. The feedback is categorized into four levels: Average, Good, Better, and Best. Students rate various aspects of the syllabus using these categories.

The feedback committee compiles and analyzes the responses, then submits a detailed report to the Principal and Heads of Departments for further action. This report highlights the strengths and weaknesses of the syllabus as identified by the respondents. Based on these findings, the Principal discusses and suggests necessary steps to address any issues.

The analyzed feedback report is reviewed during meetings with the IQAC and Heads of the Departments. Each Head of Department is required to prepare an action-taken report detailing the measures implemented based on the feedback.

Action Taken:

1. Feedback data is shared with all Heads of Departments, who are instructed to address the feedback regarding the syllabus.
2. In cases where feedback responses from certain departments are insufficient, the respective Heads of Departments are advised to raise awareness among students to increase participation.

Na

Our syllabus is good in building a core base of students to achieve their goals either in commutative exams or in PG course.
But need to add more application based syllabus of a particular subject and focus on
Conceptual way rather than a theoretical way

Progress ,Add new thing

Very good syllabus

Nice Bsc syllabus and information of science is very helpful inlife

FEEDBACK ACTION TAKEN REPORT BY INSTITUTION 2023-24

The college has established a Feedback Committee to gather input from students, alumni, teachers, and employers regarding the syllabus. Additionally, the committee collects feedback on teachers' performance and the use of ICT in education. This year, the committee collected feedback from all stakeholders through an online mode.

The collected feedback was thoroughly analyzed and presented during the IQAC meeting held on 30/04/2024 for necessary action. The analysis reports were also shared and discussed in a meeting with the heads of departments to ensure alignment and follow-up on the feedback.
