4.1.3 Classrooms and seminar halls with ICT- enabled facilities

The classrooms are equipped with ICT-based instructional facilities, including LCD projectors, Wi-Fi connectivity, and tools to facilitate online teaching and learning through platforms such as Google Meet, Zoom, and PowerPoint presentations. Additionally, the offline teaching-learning process is enhanced with ICT integration. The seminar hall and classrooms feature advanced infrastructure, including LCD projectors, projection screens, Wi-Fi, and a comprehensive microphone system, ensuring an optimal learning environment.
